BRING THE COUNTY ACT TEST

The Executive committee of the Civic Federation held a meeting yesterday afternoon to consider the county act contest. The following resolution was unanimously adopted:

Whereas, The matter should be settled before the expense of the special to \$60. election is incurred, and before the Legislature now in special session, shall have acted on appropriations, in order to avoid the calling of still another session, should said County Act proveto be invalid; therefore,

"Resolved, That the committee in leg'slation be instructed to take immediate steps to have the County Act tested before the Supreme Court of the Territory.
